DIGITAL FAIRYTALE

This intentionally giddy and romantic theme replete with digital aesthetics like fairycore dreamy pastels, summer flowers and a thriy mix of frou-frou styling. It emerges as a whimsical, escapist take in the unreal world.

FUTURISTIC STORY

Inspired by the advent of space travel, it depicts the landspace of Mars with the success of browntoned neutrals in intimates. Intimate layers have a softly reflective and sophisticated glow and sensorial, silky touch, influenced by the tranquil light of the moon.

FUN IN LOVE

Joyful expression is a collection of colourful and playfully essential lingerie suited for spring and summer. These colours are grounded, have deeper meaning or are boldly energetic to bring a sense of reassurance, spiritual value and optimism.
